BUILDING SAFETY CERTIFICATE

This is to certify that the building of **Silachari HS School**, situated at **Silachari RD Block, Gomati Tripura** has been inspected by the undersigned on **01-09-2026**.

Based on the inspection of the building it is certified that the building is **structurally safe and suitable for occupation/use** for the purpose for which it has been constructed, subject to normal maintenance and compliance with applicable safety requirements.

The building has been inspected with regard to its general structural condition, including the columns,walls, roof and other visible structural components. No apparent structural distress or defect affecting the overall safety of the building was observed during the inspection.

Accordingly, the building is certified to be **safe for occupation/use** as on the date of inspection.
